

Reusable period panty (purple)

<p>Top View</p>		<ul style="list-style-type: none"> • The peach and pink materials are the different layers • Having multiple layers will be more effective for leak prevention • The material of the layers is absorbent but eco friendly
<p>Front View</p>		<ul style="list-style-type: none"> • In the front the product will be somewhat wide to ensure full coverage • The material of this period panty dries out fast
<p>Back View</p>		<ul style="list-style-type: none"> • Even though the back looks as wide as the front my intentions are to have the back side wider than the front • The back will be wider but it will be seamless so we can wear anything without a the unnecessary showing but feeling fully covered
<p>Side View</p>		<ul style="list-style-type: none"> • The side strap will be soft yet it have and embedded elastic to prevent it from moving

Bottom
View

- From the bottom we can see one of the layers that is made of a very absorbent yet comfortable material
-
