

Funding for Graduate School

Undergraduate Grad School Prep.

Harry S. Truman Scholarship

Graduate school funding for eligible juniors pursuing careers as public service leaders. Truman aims to pick out people with the potential to envision positive change and then provide support to help them realize their aspirations. Truman scholars, in time, aspire to improve the ways that public agencies serve society.

www.truman.gov

Public Policy and International Affairs (PPIA) Fellowship

A fully funded 7-week summer program offering rigorous academic graduate-level preparation and leadership development for juniors committed to public service careers. Fellows go on to complete master's or joint degrees in Public Affairs, Public Administration, or International Affairs.

<https://ppiaprogram.org/page/junior-summer-institute>

National Science Foundation Research Experiences for Undergraduates (REU)

Provides funding for summer or semester long research participation by undergraduate students in any of the areas of research funded by the National Science Foundation. REU projects involve students in meaningful ways in ongoing research programs or in research projects specifically designed for the REU program. Many opportunities available in Psychology research.

www.nsf.gov/crssprgm/reu/

Harvard Summer Venture in Management

A funded one-week residential management training program for juniors and seniors designed to increase diversity and opportunity in business education and introduce students to Harvard's MBA experience.

www.hbs.edu/svmp/Pages/default.aspx

Harvard Future Leaders in Law Program

A weeklong fellowship at Harvard Law School where Fellows engage with HLS faculty, staff, students, and alumni. Over the course of the program, participants will benefit from test and application preparation services, mentorship and networking opportunities, field trips, as well as academic and professional skills-building elements.
