

# Fellowships Requiring Baruch's Nomination / Endorsement

BaruchCOLLEGE

## Applying for Baruch's Endorsement

The fellowships listed on this document require applicants to seek Baruch's nomination or endorsement to apply.

Some of the fellowships listed have limits on the number of applicants that Baruch can nominate to the sponsoring organization, while others have no limit on the number of applicants it can put forward for consideration. Either way, these fellowships require a campus review of all applicants to determine their eligibility for the fellowship, and to decide if a nomination/endorsement is warranted. Therefore, most of these fellowships have campus application deadlines that can fall weeks before the national deadline for the fellowship in order for Baruch to process applicants through a campus review.

Applicants intending to apply for these awards are encouraged to reach out to Baruch's Prestigious Fellowships Advisor as early as possible (using the below contact information) to indicate their interest to apply and to learn more about the relevant campus review process.

## Opportunities for Undergraduates
