A STEM variant course satisfies either the **Life and Physical Sciences** or the **Scientific World** requirements. Students who use a STEM variant to satisfy one category must complete another course in the other category accordingly:
- BIO credit: take PHY or CHM
- CHM credit: take PHY or BIO/ENV
- PHY credit: take BIO/ENV or CHM

Students may not use the same course to satisfy both the Scientific World and Life and Physical Sciences requirements.

### Flexible Core (6 courses)

Choose one course from each of the following categories **BUT** no more than one course from any one field*.
