Reflection Questions: (Please type your response)

1. What did you learn about yourself?
The following prompts may help you respond to this question: Was there an instance when you had to move beyond your comfort zone? Did this experience challenge assumptions and/or stereotypes you may have had? How did you relate to the population served? What did you learn about the people around you (population served, staff, fellow volunteers, etc.)?
2. What is the mission of the organization and how does it connect to the larger political, economic, social, and cultural forces that shape American society? Can you think of any alternative solutions for addressing the needs this organization serves?
3. Explain whether you would engage in this community service again. How has this experience influenced how you will engage in your next service project?
